

VIP REWARDS PROGRAM

for your continued loyalty

We have designed a VIP Rewards Program as a way to say thank you to you, our clients, who have continually stayed loyal to us. We want to let you know that we appreciate you choosing us and telling your friends and family about our services.

How to earn points:

- By referring new patients to our office.
- Earn 1 point for every \$20 you spend towards a Facial Enhancement procedure
- Earn 1 point for every \$50 you spend towards a cosmetic surgery

You can earn points even faster by referring new patients:

- Once the new patient schedules and completes her visit, you will earn 50 points
- If the referred patient books a cosmetic surgery, you will earn 250 points once the surgery is completed

How to redeem points:

- Each point earned is equivalent to \$1
- Use your points toward a cosmetic surgery or a facial enhancement procedure!*

*Program is effective for services rendered starting November 1, 2009. Please call the office for more details. For a facial enhancement procedure, up to 300 points can be used at one time. For a cosmetic surgery procedure, up to 500 points can be used at one time.
